Overview

HKS is a global firm of architects, designers, advisors and makers driven by curiosity and devoted to creating places that combine beauty with performance. Our 1,350 people in 23 locations are united by our shared culture and sense of purpose. We value honesty, diversity and inclusion and we celebrate creative thinking across our firm. In partnership with each other, our clients and our partners, we craft powerful ideas and solutions. Together we create places that stand apart.
