## Overview

HKS is a global firm of architects, designers, planners and advisors who create places noted for their beauty and performance. Our 1,600 people in 29 offices are united by the belief that an environmental, social and governance approach to design achieves design excellence. In 2023, we became a carbon neutral firm, and in 2024, we are celebrating our 85th year in business. We value honesty, diversity and inclusion and we celebrate creative thinking. In partnership with our clients and collaborators, we craft powerful ideas and solutions. Together we create places that stand apart.
